

Ray Yang brakes an 'historic' Club Record

It took 30 years.....
a great coach (LOL!!) and ...
a super swimmer to break
the 100 Fly Club Record
for the boys 10 and under!!
But finally we did it.....actually...
HE did it...YANG RAY
at Team Champs
with the fantastic time of 1:16.39!!!
Congratulation to Ray for this
"historical" achievement.

The previous record was held by Brad Creelman
that in January 1981 swam the 100 fly in 1:16.73.

Great job Ray!!!!
