## Team Wear ~ Sept 2009 to July 2010

Prices are as of September 2009. Note that these prices are subject to change.

Both Swim Ontario and FINA have introduced new regulations regarding suits worn in competition. Swim Ontario's position was announced in the spring and pertains to swimmers age 14 and under and is effective September 1, 2009. FINA, the international regulatory body, issued similar regulations in July that apply to ALL competitive swimmers and takes effect January 1, 2010. Consequently, some high performance suits are no longer permitted in meets. If you're not sure if the suit is allowed, please check with your coach, and we suggest that you bring a back-up suit as contingency that definitely complies with the new rules.

Highlights of the changes are:

- For men, the swimsuit shall not extend above the navel or below the knee.
- For women, the swimsuit shall not cover the neck, extend past the shoulder, or extend below knee.
- Furthermore, no zippers or other fastening system is allowed.
- The swimmer can only wear one swimsuit and no taping is allowed.

As a result, many swim suits that were available last year, are no longer included in our equipment list.
