

The Oakville Invitational Jan23-25

Congratulations to all MSSAC swimmers on their great weekend!!! The pool was surrounded by the sea of blue uniforms and the roar of the team as we cheered on our athletes to personal bests, heat wins, and finals wins!

Friday was a long and challenging evening for everyone in the 400FR, 800FR, or 1500FR. Challenging, but rewarding. Olivia Bellio placed 2nd in her 1500FR and Michael Decsey went 17:57.15 1500FR which is a Provincial time!!!

Saturday and Sunday were great days for the team. During the preliminary swims, MSSAC had an astonishing 146 personal best times and qualified 22 people for finals. Patrick Nolan had 8 PB's of 9 races, Adam King had 6 PB's of 7 races, and Michael Borsk had an amazing 9 PB's of 9 races!! During the Finals session in the evening Erica Dougas kept things heated up by winning the 50FR Eliminator, and Alex Albanese made himself known by qualifying for 5 finals races and winning the 200FLY!

On the weekend MSSAC scored two Bronze medals, two Silvers, and three Golds!!! Well done and congratulations to everyone that swam.
