

The Mississauga Swimming Development Club ~ Wave 1 and Wave 2 ~

The Mississauga Swimming Development Club invites swimmers from the ages of 6 to 14 to improve their endurance and technical swimming skills. To enter this program your swimmer must be able to successfully complete one length (25 meters) of front crawl and one length (25 meters) of back crawl and have completed Swimmer Level 5. Designed to suit a variety of ages and abilities, your swimmer will experience some of the many drills and skills required to perform the four competitive swimming strokes: freestyle (front crawl), backstroke, breaststroke and butterfly. Swimmers will also be introduced to the components of "the race" comprising the dive through to the turn and finish. They will also be instructed in the use of the "pace clock" and "swimming sets". Registration includes 30 weeks of classes and the program and runs from the end of September through May.

Wave 1: Focus is on learning the basic strokes and turns, and includes 30 one-hour lessons. The program begins in September and ends in May, with breaks for holidays & pool maintenance. Swimmers will be given a Mississauga Swimming t-shirt at their first practice at the start of the season and there will be one fun meet at the end of the season

Wave 2: Athletes will learn the basic racing strokes and will have greater opportunity to improve. The program includes 60 one-hour practices, beginning in September and ending in May, with breaks for holidays & pool maintenance. There will be two fun-swim meets and some athletes will participate in one sanctioned competitive meet. Additionally, each Swimmer will receive a Mississauga Swimming T-Shirt and swim cap in their team colour along with a blue training suit. Swim suit fittings will occur in September. Times and dates will be emailed to you and posted on our website.

Meets are a tremendous opportunity for all the swimmers to come out and have some fun. There is absolutely no pressure on the swimmers to attend the meets; however these events always prove to be a great experience for each of them. Although the meet is hosted by volunteers and staff of the Mississauga Aquatic Club, we welcome Mom & Dad to come on deck and gain some officiating experience.
